

Application for Prolongation/Suspension

We want to inform you about the possibility of applying for a hardship application to extend your studies for one semester. However, please note that the requirements for this application are quite stringent. You can assess whether you meet the criteria for making the application by visiting the following link:

<https://www.cit.tum.de/en/cit/studies/students/advising/informatics/tips-for-successful-studies/>

Please navigate to "Application for Prolongation/Suspension" for detailed information and access to the hardship application modules.

If you plan to apply for a prolongation/suspension, please visit our consultation hour to discuss this further. Please prepare your application documents to the best of your abilities before visiting the consultation hour.
