

Welcome to TUM!
Welcome to the
M.Sc. Information
Engineering program!

Your are cordially welcome!

Dear new students of the M.Sc. Information Engineering,

Welcome to the Technical University of Munich!

We are very pleased that you are starting your studies at TUM Campus Heilbronn!

In order to prepare you in the best possible way for the start of your studies, we are providing important information resources and events before the **start of your lectures on Wednesday, April 23rd, 2025** and within the first few weeks of your studies in this handout.

We are looking forward to meeting you and wish you a very good start of your studies!

Your CIT Student Service Center at Heilbronn Campus

About us: CIT SSC

The Student Service Center (SSC) will help you with all study related questions and offers accompanying events. You can contact us with program-specific questions like lectures, exams and recognitions of achievements of former studies. We will also regularly contact you via email regarding important regulations, information on modules and exams and further interesting news for you.

The offers for you

There are many offers for you for your start of studies. We strongly recommend that you check the offers and join at least some of the events and information sessions. Take the chance to inform yourself and meet your fellow students:

<https://chn.tum.de/events/events-for-freshers>

We would also like to recommend this website with events for freshers as well as all students at TUM Campus Heilbronn:

<https://chn.tum.de/events>

Please check these websites regularly as new events are constantly being added!

Some of the events, especially the ones that are crucial for your start, we will highlight at the following pages.

Crucial for your start: Your program introduction

Introduction for M.Sc. Information Engineering Freshmen (hybrid)

During this event you will receive important information about the M.Sc. Information Engineering program and the according regulations from your SSC team, followed by a Q&A session. You will also have the chance to meet your fellow students and representatives of the Student Council! Please attend the event on site if possible.

The Student Council at Campus Heilbronn

Getting in touch with our Student Council might also be helpful for the preparation and the start of your student life.

The B.Sc. Information Engineering Student Council represents student interests and organises fun events (e.g. game nights) for BIE students and freshers.

If you want to find out more about current events, get to know your fellow students and chat about any student topics, please write an email to communication@hn.fs.tum.de with **your name and mobile number**.

Maybe you can even imagine to be part of the Student Council Information Engineering or even speaker of the M.Sc. Information Engineering? That would be great!

Organized by the Student Council: Semester Opening Hike

The Buddy Program

At last, we would like to warmly recommend our “[Buddy Program](https://evasys.zv.tum.de/evasys/online.php?p=JQQTM)” which matches you with older students. A Buddy is a friendly face who shows you around campus, connects you with others, and helps you adjust to our campus and university life.

Take advantage of this unique and great opportunity! About 75% of our students take part and the feedback is consistently positive. In the third semester, about half of the students decide to be a buddy for new students. This is how the spirit of joy is passed on on campus.

Please register – with your TUM email address - here:

<https://evasys.zv.tum.de/evasys/online.php?p=JQQTM>

Password: JQQTM

We are looking forward to your registration and introducing you to our great student community!

After March 30th we will pass on your name and e-mail address to your future senior buddy/ies. They will get in touch with you.

Please allow some time to pass between your registration and hearing back from your buddy.

See you soon!

We wish you a smooth relocation and a great start in Heilbronn!

As you see, TUM provides plenty of services at the start of your studies and throughout your student life.

You won't be left alone. Don't hesitate to get in touch with us or any other given contact point in case of questions!

See you soon in Heilbronn!

Your Student Service Center
