TUM students in Heilbronn will receive two student IDs after having successfully completed the enrollment process: **The TUM Student ID Card and the CampusCard.**

You can use your **CampusCard** for payment in the campus cafeteria (Mensa), the vending machines, for student discounts in many places, etc., around the Bildungscampus Heilbronn. Once you are enrolled, you will receive a link that you have to use to update your personal information in the portal. If you have completed these steps, your CampusCard will be distributed during the Welcome Day on 22 April 2025. Information on student life in Heilbronn

Life in Heilbronn: Part 1 – Accommodation

Parallel to the visa application procedure, you should look for **accommodation** in Heilbronn. Heilbronn consists of nine districts (Biberach, Böckingen, Heilbronn, etc.), while the Bildungscampus is located in the district Heilbronn, which is the center of the nine districts. Most students prefer to live in student halls or shared apartments.

Applying to more than one dormitory / shared flat is advised since the demand is high, and rejection is likely. For more information, please check here: [Our Services for Students | TUM Campus Heilbronn](#)

Please contact the Service Point team at servicepoint@chn.tum.de if you need more information on finding accommodation.

You can also use our [TUM living platform](#) to look for accommodation in Heilbronn.

ZOOM info sessions regarding **accommodation** on **25 February 2025 at 3 p.m. CEST**

More info sessions will be available; please check the onboarding calendar regularly.

Meeting-ID: 645 3118 8711, Kenncode: 088781

Part 2: Registration in Heilbronn

All students from the EU or outside the EU must register with the city. This must happen within 15 days after moving into the permanent apartment.

Students from **NON-EU countries** with a temporary residence permit will be registered at the Immigration office (“Ausländerbehörde”).

For information in English, you can have a look at the following website of the city of Heilbronn:

<https://welcome.heilbronn.de/en/new-in-heilbronn/registration.html>

It is highly advised to schedule your appointments for **city registration** or/and residence permit as soon as you know your date of arrival in Germany, as the queue is very long (approximately 2 to 3 months) and bureaucratic setbacks should always be expected.

If you are already in Germany and have a residence permit: Appointments at the immigration office should be made at least six months before the expiry of the valid documents (visa or residence permit) to avoid being left without valid documents. Waiting times are long.

Please [contact us](#) if you need help while dealing with bureaucracy!

Part 2: Residence permit/city registration

We can influence neither the processing time nor the decisions of the authorities.

ALL students need to register with the city. This appointment is mandatory for all students (EU and non-EU).

Please contact the service point servicepoint@chn.tum.de to ask about residence permit/city registration.

All **non-EU students** must meet with the immigration office to obtain their “residence permit”.

If you have any questions or would like to make an appointment, please send us an email at servicepoint@chn.tum.de

Before visiting the Immigration Office/City Hall, ensure you have prepared **all required documents (Passport/ID card, housing provider confirmation, student ID etc.)** as far as possible.

You can find more information [here](#)

Life in Heilbronn:

Part 3 – Health Insurance

As a student in Germany, you are required to have **health insurance**. You can choose between multiple providers of both public health insurance and private health insurance. You can expect various medical treatments if you opt for private health insurance.

However, you need to be aware of the following: The German healthcare system is one of the best in the world. Hence, even public health insurance is of excellent standard. The following is a list of [FAQs](#) on the health system in Germany.

In case of an emergency, always remember to dial the following numbers. It's a simple and effective way to get the help you need.

Police 110

Ambulance/Fire Brigade 112

In an emergency, you can call 112 for the fire brigade/ambulance and vice versa. It is free of charge.

Life in Heilbronn:

Part 4 – Banking

Before your trip to Heilbronn, you should start considering **banking options**. As a student, you can generally open a bank account with no required amount of money (“kostenloses Giro-Konto”). However, conditions may vary. We therefore recommend that you look thoroughly at each bank’s offering before coming to Heilbronn and book an advising appointment at the banks. This will help you find a suitable bank and one that you feel comfortable with.

We offer appointments with „Kreissparkasse“, but you can contact any other bank.

11 April 2025, 10:00 a.m. – 12:00 noon

25 April 2025, 10:00 a.m. – 12:00 noon

09 May 2025, 10:00 a.m. – 12:00 noon

If you are interested, please contact the service point:

servicepoint@chn.tum.de

Life in Heilbronn: Part 4 – Transportation

The most common way to get around in Heilbronn is **biking**. The bike paths are well-developed and due to the size of the city, it is easy to get around by bike.

If you want to rent a campus bike, please check the following website:

<https://bildungscampus.hn/en/bike-sharing-campus-rad>

The public transportation network comprises Heilbronn buses and suburban trains (S-Bahn). The same ticket is valid for all forms of public transportation. You don't need different tickets if you move from train to bus.

If you want to know more about public transport, check the following link:

<https://bildungscampus.hn/en/mobility#c1091>

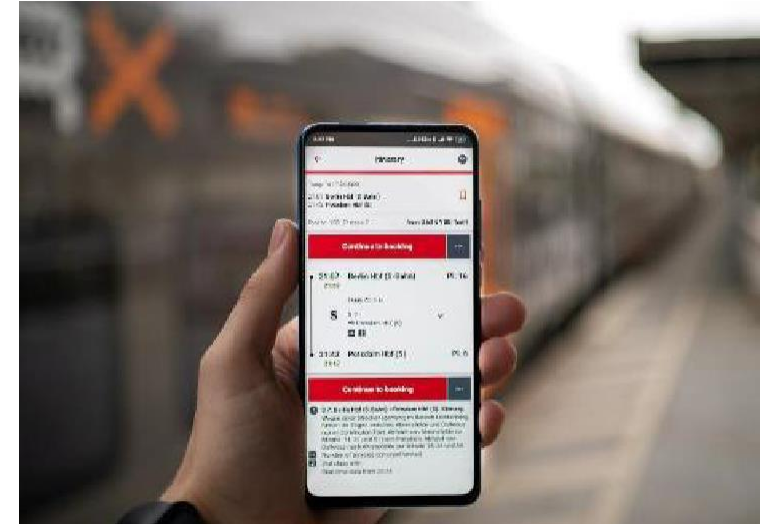

Life in Heilbronn: Part 4 – Transportation

Students of TUM have the following ticket options:

“D-Ticket JugendBW”: Students **up to 26** can also purchase the “D-Ticket JugendBW.” This allows you to use the public transport throughout Germany. For more information, consult the HNV website: <https://www.h3nv.de/aktuelles/d-ticket-jugendbw>

Students **older than 26** can buy either an “HNV/KVSH Semester-Ticket (Plus)” ([link](#)) or a monthly “Deutschlandticket” for 58 € (traveling throughout Germany, [link](#)).

Please contact the service point (servicepoint@chn.tum.de) for more information.

Life in Heilbronn:

Part 6 – Leisure activities

When registering for the first time in the city of Heilbronn, you can receive a **Welcome Package**. It includes ten free tickets for the indoor or outdoor swimming pool in Heilbronn, a voucher from Heilbronn Marketing GmbH, a prize draw for 25 bicycles in Heilbronn's city colors, and a sports pass for a one-year complimentary membership in one of the participating sports clubs. **For detailed information, please get in touch with the Service Point (servicepoint@chn.tum.de)**

There is a lot to do and explore in and around Heilbronn throughout the year. In summer, you can enjoy the sun in the **Wertwiesenpark**, do a **bike tour** along the Neckar. or enjoy the **bars** and **'Beergardens'**. Also, do not miss to check out the **Wartbergturnm** where you have an amazing view over the region. In winter, you can enjoy hot German 'Glühwein' at the **winter market**.

Information on arriving in Germany

Visa

Depending on your nationality, you might have to apply for a **temporary visa** before arriving in Germany.

Exception: EU-citizens do not require a visa.

The following [link](#) from the Federal Foreign Office has an overview of nationalities that need to obtain a [visa](#), as well as a guide through the entire procedure. German bureaucracy is known for being rather complicated, hence sticking to the guide on the website would be a smart measure to eradicate potential mistakes.

Residence Permit

A **visa** is usually limited to one year (with variations based on the issuing country). Students residing in Heilbronn must apply for their residence permit at the Heilbronn Immigration Office (“Ausländerbehörde”).

Before visiting the Immigration Office, ensure you have prepared all required documents and completed your city registration. For further information, check the website of the Immigration Office:

<https://welcome.heilbronn.de/en/new-in-heilbronn/immigration-office.html>

To schedule an appointment at the immigration office in Heilbronn:

Students outside Heilbronn must contact the respective ‘Landratsamt’ in charge.
